Thank you for your order!

I now accept credit or debit cards through PayPal. *You do not need to have a PayPal account to use PayPal to pay an invoice.* After you communicate to me what items you'd like, I will contact you with the total of your order including shipping + handling. You can then pay by check, money order, or through PayPal. If you opt for using Paypal, when you receive my email with the payment request which PayPal generates you can, if necessary, click on the button that says "I do not have a PayPal account" and PayPal will direct you to a secure site to enter your credit/debit card info. I am no longer set up to take your credit card number over the phone.
